News from The Wellspring

Wellspring has remained open during the pandemic; it has proved to be a tough year and a half with increased numbers of people accessing the services we provide. Throughout the long months, hot meals, food parcels and essentials have been provided, care and medical attention was available and where possible the homeless have been found accommodation.

Recently attention has been given to mental health support by promoting outdoor supervised activities. The staff have managed this with support from volunteers.

Alterations are being made to the building to manage the new Covid conditions before fully opening again in the Autumn. It is expensive to make these changes but they are necessary!

During the past long year, while we have all been suffering the pandemic, Wellspring has not been able to hold Fundraising events. However bills still have to be paid and the generous support given by people who have donated money, goods and services to Wellspring throughout that time has been greatly appreciated.

Now that the situation is easing it is time to start Fundraising again! Whilst we are still mindful that we are not able to have group events, "Choose Your Personal Challenge" is a way to support the project at the right time for you, no official dates or times are set,

The Challenge offers suggestions for activities that can be enjoyed during the summer months at a time and place to suit individual preferences. Simply walk your dog, garden, stroll in a favourite location or even on a longer trek in the countryside, cycle, swim or enjoy knitting or baking in aid of The Wellspring .

We would love to know about your Personal Challenge. T-shirts and a support pack will be available to anyone giving their support to Wellspring. When Wellspring is open again we will welcome you to view the alterations and enjoy coffee together.
